The East Bay (San Francisco) Regional Park District

Founded in 1934, the East Bay Regional Park District acquired its first land two years later when the East Bay Municipal Utility District sold 2,165 acres of its surplus land. Today, the East Bay Regional Park District is the largest urban park district in the country with a network of 65 parks that cover more than 98,000 acres in Alameda and Contra Costa counties. Designated a National Planning Landmark in 1989.
